Champagne Sabre

Design by Karim Rashid

If a sabre's too much, you're too young

One piece of polished, stainless steel flamboyance. Made by an equally flamboyant designer, the Champagne Sabre by Karim Rashid is sure to impress at dinner parties.

Karim Rashid describes himself as “quarter Irish, quarter British, half Egyptian. Raised in England, Canada, educated in Canada/Italy”, but the last 20 years the highly acclaimed designer has lived and worked in New York.

His award-winning designs include store design, interiors for restaurants and hotels, furniture and accessories as well as high-tech products and luxury goods. His work is featured in 20 permanent collections and he exhibits art in galleries worldwide.

He has won more than 300 awards for his work, and he is a perennial winner of the Red Dot award, Chicago Athenaeum Good Design award, I.D. Magazine Annual Design Review, and IDSA Industrial Design Excellence award.

We're proud to have Mr. Rashid, and Champagne Sabre, on board.

Here's hoping for delightfully extravagant champagne experiences!
